Dear Holly,

Well done. I think you're *cool*. I'd like to be an eco *warrior* too. I think a lot about the environment.

I **take** all our newspapers and waste paper to the recycling bins. I usually **ride** to school on my bike. Some mornings I **walk** but I never go by car.

Last week, when I was **hanging** out in the park with my friends, we **saw** a notice. It said:  
NEW SHOPPING CENTRE COMING SOON.

They are **going** to build a new shopping centre where the park is. My friends and I were very **upset** when we saw this sign. We love our park. It's the only green area in our neighbourhood. We **play** football there, people take their **dogs** for walks and lots of birds and animals **live** there.

What can we do to **save** our park? Any ideas welcome.
