

FUN FACTS

IT'S MOVING!

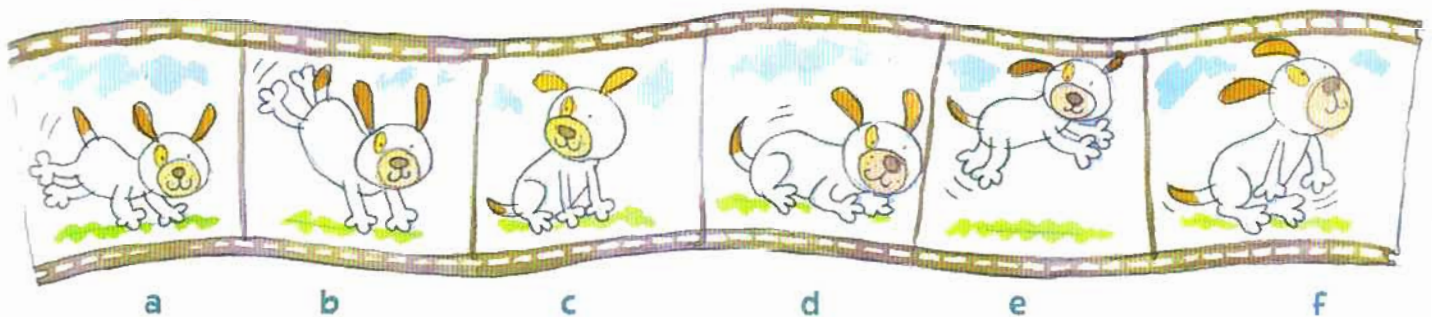

10  Listen. Then read and match.

Do you like cartoons? The pictures in a cartoon aren't moving. They are lots of still pictures. Your eyes see the pictures very fast and the pictures 'move'.

1 The boy's drawing pictures of a dog.
2 The dog's jumping.
3 The dog's sitting.
4 In the pictures the dog isn't moving.
5 In the cartoon the dog's moving.

11  Put the pictures in the right order.

12  Talk about your favourite cartoon. Make a flip book and say what's happening.
